THINGS TO REMEMBER

1. **If participants stay different lengths of time, add precise notes at the bottom or on additional paper making it clear how many stayed for each number of nights.**
2. Take newspaper for starting fires in the fireplace. Take your own axe and **follow directions explicitly if using wood stove.**
3. Replenish wood supply inside cabin before leaving. Dump cold ashes in the fire pit by Whitewater Creek and thoroughly douse them with water.
4. Wash and return used towels to the Cabin Chairperson.
5. Take your own paper products.
6. If rat poison containers around the cabin are empty, please replace from stock on the shelf in the kitchen.
7. Report any concerns to the Cabin Chairperson.
8. **Make sure cabin is well cleaned and thoroughly locked!**
9. Please return keys and forms to the Cabin Chairperson **immediately.**
