

Miscellaneous Events

Revised September 2014 by Lee Slattum

Miscellaneous Events are activities that don't fit conveniently under current Chemketan activities. Emphasis is placed on activities that promote social interaction among club members and/or provide opportunities for community service. These events are generally scheduled to appear on a regular basis, e.g. weekly and monthly.

Current events include a weekly Koffee Klatch at the Beanery; weekly volunteer work at the Salem Audubon Nature Reserve; weekly lunches at the Center 50+, a Salem Senior Center; and monthly Second Thursday evening gatherings at local pizza parlors, pubs, and restaurants. New regularly scheduled events may be added to the Calendar at the discretion of the Chair.

Responsibilities of the Chair

1. Recruit leaders for the various events. Recruit a different host for each Second Thursday.
2. Event leaders are responsible for submitting their monthly write-ups to the Chemeketan bulletin.
3. Second Thursday leaders are responsible for selecting the location of the event. Information should be sent to the Bulletin Editor before the first of the month preceding the month of the event.
4. Attend as many of the activities as possible to assess their success and level of attendance.
5. Prepare three copies of Miscellaneous Events report for the Annual meeting. Include the statistics as well as comments, suggestions, and problems that Council and members should be aware of. Give an oral summary of the report at the meeting.
