

Risk Management

Revised July 2014 by Ken Betterton

1. As needed, recruit committee members to serve on the committee.
2. Set and lead committee meetings to discuss liability and risk issues related to club activities.
3. Review the club's release and assumption of risk forms.
4. Review the club's practices and procedures to identify and minimize risk and liability exposure for the club and trip leaders.
5. Review the club's insurance policies for appropriate coverage and meet with an insurance brokerage firm as needed to review and assess whether current coverage is adequate.
6. Make recommendations to Council regarding any changes or additions needed to minimize risk and liability.
